pared to take risks on shipments of Merchand-
ize, Produce, &c., from and to any part of the U.
States by steam and sailing vessels, canals, rail-

FIRE & MARINE INSURANCE.
"If there is safety only in good security - in
order to be secure we must be safely insured."
WHEN we hear of our friends losing their prop-
erty by means of the vessel on which they have
made shipment of Produce or Merchandise is lost, the
first question we ask is "were you insured?" Now if we
feel such an interest in the welfare of our friends, how
can any one risk the dangers that are continually sur-
rounding his own property without being able at any
time to answer the question if put to himself, "Yes I
am insured."
The Camden Insurance Company of New
Jersey, will make insurance on Buildings, House-
hold furniture and Merchandise of all kinds - also
upon shipment of Produce and Merchandise, on board
of Steam Boats, Sailing Vessels, Canals, Rail and
Flat Boats, at a fair valuation and at reasonable rates
of Premium, and in case of loss, as soon as the claim
can be properly adjusted - pay over the same.
